Scope -----	2
FSTC Responsibilities -----	3
US Contact Officer -----	4
References -----	5

1. Purpose. This Circular provides guidance concerning the policies and responsibilities established for the US Army Foreign Science and Technology Center's (FSTC) United Kingdom Integrated Officer (UKIO) Program.

2. Scope. This Circular applies to all employees of FSTC, both civilian and military, as well as any contractor or contracting agency utilizing the FSTC facilities.

3. FSTC Responsibilities. It is the responsibility of all persons subject to this Circular to treat the UKIO as a fully integrated member of FSTC, serving in a position normally filled by a US military officer.

a. Disclosure of classified military information (CMI) to the UKIO is limited to information releasable to the UK UP AR 380-10. In the case of the UK, this regulation prohibits disclosure of CMI marked NOFORN and information obtained from another government for which dissemination to the UKIO would violate the third party rule.

b. The Director of Intelligence Production is responsible for the overall conduct of the UKIO program at FSTC.

*This circular supersedes DF, DRXST-SO, 21 Sep 81, subject: Utilization of UK Integrated Officer.

c. A US Contact Officer will be appointed UP AR 380-10, para 8-2, by the Director of Intelligence Production.

4. US Contact Officer. The US Contact Officer will publish supplemental guidance approved by the Director of Intelligence Production necessary to implement this circular.

a. Decisions on releasability of information are the responsibility of the US Contact Officer using guidelines provided in AR 380-10, para 2-8, in the Standard Terms of Accreditation and in the Job Description. Maintaining records required by DOD Manual 5230.18 to sustain the UKIO program is the responsibility of the US Contact Officer.

b. The US Contact Officer will take action to facilitate mission related travel by the UKIO IAW AR 380-25.

5. References.
